Conditions: Not Responsible for orders left over 30 days
 Cleaning: we will use such process which in our opinion, is best suited to texture and condition, but cannot be responsible for weak, tender, defective, or adulterated materials— not obvious prior to processing. Not responsible for trimming, buckles, belts, beads, buttons, or valuables.

Laundry: errors must be reported within 48 hours, accompanied by this invoice. Unless your list accompanied bundle, our count must be accepted. Liability shall not exceed 10 times laundry charge, unless higher value declared and owner agreed to additional charges. No guarantee on colors, curtains, shrinkage or synthetics. If labels are removed or missing, all work be done at customers risk.

Thank you

Leather, Suede, Alterations pricing & procedures:
 All leather is send out to a high end professional company. It usually takes about two weeks to get the garment clean. When the garment is picked up, we will call you back with the exact amount charge for the cleaning. If you agree to the amount we will then proceed the cleaning for the leather garment.

Alterations varies based on the type of work done on the garment. Some garments can take up to three days or more. Basic re-hem, sewing, etc. will take two days the most. You can always call us for any questions:
